Easy handling, drip-free thanks to the suction and extremely time-saving - with Kärcher's original battery-powered Window Vac set, windows are left gleaming and streak-free in no time.

### 1 Quick to empty

- The dirty water tank can always be emptied quickly and easily when required.

### 2 Exchangeable suction nozzle

- Choose between a large or small suction nozzle, based on the size of the cleaning surface.

### 3 LED display in field of view

- Energy management made easy: the LED display integrated in the on/off switch indicates in good time when the battery needs to be recharged.

### 4 Lightweight and quiet

- Its low weight and pleasantly low noise level make window cleaning with the WV 2 even more convenient.
